

Walking with Kevon

A Father's Journey of Love, Loss, and Unwavering Strength

By Ambrose Ogutu (Baba Kevon)

Foreword

In life, there are stories that simply need to be told. Stories that go beyond the ordinary and touch the deepest parts of our souls. This is one of those stories. A father's heartfelt journey through joy, hardship, triumph, and grief. It is a testimony of the kind of love that defies the odds and remains steady even when life becomes unbearable. 'Walking with Kevon' is not just about a child or a diagnosis; it's about the beauty and burden of fatherhood, and the strength to love relentlessly. I believe this book will touch many lives, open eyes, and most importantly, bring healing to those walking a similar path.

Author's Note

My name is Ambrose Ogutu, but to many who knew us, I am simply Baba Kevon. This book is my heart in written form. Each chapter carries pieces of my soul, written not with ink but with emotion. I never imagined myself telling this story, but it demanded to be told. This is not a story of despair. It is a story of love. A story of what it means to be a parent when life doesn't go according to plan. A story of strength I never knew I had. A story of a boy who changed my life forever. Thank you for allowing me to share Kevon's light with the world. May his story bring you peace, strength, and understanding.
